FOR IMMEDIATE RELEASE

9 March 2012

Athens, Greece: The Hellenic Republic today announced the results of the exchange offers and consent solicitations as of 9.00 pm (C.E.T.) on Thursday, 8 March 2012 in respect of bonds listed in the invitations of 24 February 2012.

Of the €177,252,131,542 principal amount of bonds issued by the Republic and governed by Greek law, the Republic has received tenders for exchange from holders of €146,154,231,102 principal amount of bonds and consents (but not tenders) from holders of €5,888,701,670 principal amount of bonds, while holders of €9,308,013,293 principal amount of bonds opposed the proposed amendments.

Of the €21,614,667,751 principal amount of bonds issued or guaranteed by the Republic and governed by a law other than Greek law, the Republic has received tenders for exchange and consents to the proposed amendments from holders of €13,146,426,328 principal amount of bonds.

Of the €6,701,326,956 bonds guaranteed by the Republic and governed by Greek law, the Republic has received tenders for exchange from holders of €6,366,276,956 principal amount of bonds.

The Republic also announced that the Council of Ministers accepted the consents obtained from holders of its bonds governed by Greek law to the amendments proposed by the Republic in its invitations of 24 February 2012, which have thus become binding on all holders of such bonds. The invitations were made pursuant to the Greek Bondholder Act. The Bank of Greece, as process manager under the Greek Bondholder Act, certified that holders of 91% of the aggregate outstanding principal amount of the Greek-law governed bonds issued by the Republic submitted participation instructions with respect to the Republic's proposed amendments. Of the participating holders, 94% consented to and approved the amendment to the Greek-law governed bonds. By accepting the consents, the Republic added approximately €31.1 billion principal amount of its Greek law governed bonds (including approximately €5.9 billion of bonds whose holders had consented to the proposed amendments but not tendered the bonds) to the universe of bonds that will become bound by the terms of the amendment.

The Republic announced that the minimum participation condition, the financing condition and the other conditions to the invitations have been satisfied. Furthermore, the Republic confirmed its intention to discharge its obligations to the holders of the Republic's amended Greek-law governed bonds on 12 March 2012 by delivering (i) new bonds of the Republic having a principal amount equal to 31.5% of the principal amount of the amended bonds, (ii) two series of PSI Payment Notes maturing on 12 March 2013 and 12 March 2014, respectively, together having a principal amount equal to 15% of the principal amount of the amended bonds, and (iii) detachable GDP-linked securities of the Republic having a notional amount equal to the principal amount of each holder's new bonds. As a result of these amendments, the Republic's obligation to pay interest on these bonds will be reduced as described in the invitation, and the reduced amounts will be paid by delivering Accrued Interest Notes on the settlement date in lieu of cash. No further interest will accrue or be payable on the amended bonds. All of the Republic's Greek law governed bonds will be cancelled on or after 12 March 2012, and the Republic will not extend the invitation period for those bonds.

The Republic has extended until 9:00 p.m. (C.E.T.) on 23 March 2012 the invitation period for each series of the Republic's bonds issued under a law other than Greek law and for bonds issued by state enterprises and guaranteed by the Republic to allow holders of those bonds who have not tendered them or submitted consents, as applicable, to do so. The Republic also deferred until 11 April 2012 the settlement date for the exchange only securities listed in its exchange offer only invitation of 24 February 2012. Accordingly, participation instructions for the bonds identified as Foreign Law Republic Titles, Foreign Law Guaranteed Titles, Republic Titles, Guaranteed Titles, Guaranteed Titles in Physical Form and Swiss Bonds may be submitted until 23 March 2012 at 9:00 p.m. (C.E.T) (which will become the "Expiration Deadline" for purposes of such invitations) in accordance with the relevant invitation. However, holders of such bonds will not have the right to revoke any participation instructions previously submitted, unless otherwise permitted pursuant to the relevant invitation. The Republic reiterated that after 23 March 2012 holders of those instruments will have no further opportunity to benefit from the package of PSI Payment Notes, co-financing and GDP-linked securities that form an important and integral part of the invitations.

With respect to Greek law governed guaranteed bonds issued by state enterprises, including bonds that have been tendered in the exchange offer, the Republic also announced its intention to issue an invitation soliciting consents to amend these bonds as contemplated by the Greek Bondholder Act in a manner similar to the amendments proposed for the Republic's bonds governed by Greek law. The Republic will set an expiration deadline when the Republic issues such invitation.

Table 1 below sets forth the aggregate principal amounts of the new bonds, aggregate notional amount of GDP-linked securities, aggregate principal amount of PSI Payment Notes and Accrued Interest Notes expected to be delivered on 12 March 2012 to the holders of the Republic's Greek-law governed bonds.

Final results as to the amounts of bonds (other than the Republic's Greek-law governed bonds) tendered for exchange, the percentage of the aggregate outstanding

principal amount of each series of such bonds that consented to or that rejected the proposed amendments, if any, to such bonds, and the aggregate principal amounts of new bonds, GDP-linked securities, PSI Payment Notes and Accrued Interest Notes to be delivered to holders of such bonds will be announced as soon as practicable after the expiration deadline, which has been extended to 23 March 2012.
